Message from Ms Virk

Welcome back after the half term break which now seems a long time ago. I hope that you had an enjoyable and restful half term break. The children have returned excited and enthused and have settled back into class very well.

I hope that parents evening last week was informative and helped you see where you can best support your child at home. If you were not able to attend, please get in touch with your child's teacher who will be happy to arrange a mutually convenient time.

Some of you may have had the opportunity to meet Miss Morton, the new headteacher from January. She has enjoyed coming in and getting to know the school community but also it has been great to be able to hand over information and I know that she is feeling more informed about the school as time passes by over the term. She will be in working alongside various people over the next few weeks but if you do see her around school, please take the opportunity to come and say hello to her.

Parents will shortly receive details of arrangements for Christmas, which includes ordering lunches (see below) and tickets for performances etc. – keep your eyes peeled! As you can see from the key dates section of the bulletin, this is going to be a very busy half term indeed so please keep a careful eye on the bulletin dates.

Well done to Panthers class today; the knowledge of the war that the children have acquired has been great and it was lovely to hear some of the work they have been doing.

Have a lovely weekend and hopefully many of you will be attending the 'Lighting The Beacon' event on the village green on Sunday from 6.30pm onwards to mark the centenary of the war; some of our Key Stage 2 children will be there singing and performing poetry so it would be lovely for you to come along and support them.

The junior leaders have decided to continue with the national spotty theme for Children In Need 2018 this year. After much discussion they have decided to implement the following for their fundraising:

- Come dressed in non-uniform and wear something spotty. We ask for a donation of £1 in exchange for wearing spots for the day.
- Bring in £1 to school to purchase Children In Need wristbands or pin badges.
- Spotty cake sale at break time – all children to bring 50p to purchase a cake
  (The junior leaders would be really grateful of any donations of cake for the sale)

Rights of the Child

Article 6 (life, survival and development) Every child has the right to life. Governments must do all they can to ensure that children survive and develop to their full potential.

What you could do at home:

- Talk with your children about how you, as parents, support them to grow to their full potential. Could you help them consider what responsibilities they have to develop to their best?
- Discuss all the opportunities given to children in this country to help them develop e.g. NHS, Free Education. Could they write a thank you letter to somebody that has helped them to be successful?

unicef UNITED KINGDOM | RIGHTS RESPECTING SCHOOLS

ANTI-BULLYING WEEK 2018

- The definition of respect
- That bullying is a behaviour choice
- That we can respectfully disagree with each other
- That we all need to choose to respect each other both face to face and online

Throughout the week teachers and members of staff will deliver sessions to raise greater awareness of bullying and to encourage the children to openly discuss issues that they face.

As well as this, out anti-bullying representatives will be completing sponsored sports challenges, so please bring in any loose change to add to their 'Giant B' to beat bullying. All the money collected will start our journey to getting a friendship bench for the Key Stage Two playground.
