

It has been an amazing half term and start to the school year! The children have worked really hard this half term and lots of amazing things have been happening around the school. I have been so proud of all of the children and staff and am so pleased that their amazing hard work was recognised also by Ofsted. The report is now live on the Government website.

This week was parents evening and it was fantastic to see so many parents attend school for their appointments- thank you all for your ongoing support and for filling out the questionnaires- we will be analysing and sharing the results after half term and will inform you of changes we might make as a result.

All that remains is to wish everybody a really happy and healthy half term break – we look forward to welcoming you all back to school on Monday 30th October 2023.

Mr Gareth Rust
Head of School

FOBS Information

Thank you to those of you who took the time to complete the Christmas Artwork. There were some fantastic designs that will transfer really well on to the wide range of gifts available. As soon as I receive the templates back I will get these out to the children.

Our Halloween disco will run on Tuesday 31st October from 3.30pm – 5pm. A 'snacky tea' will be provided for those attending meaning that **tickets** must be **purchased in advance**. Walk ins will not be permitted on this occasion.

Mr Rust has kindly agreed a mufti day and Halloween dress up is permitted. However, this must be appropriate for school (**no masks/fake weapons/scary face paint**) and must not cause a distraction for the children who will be expected to complete their daily lessons as normal. Tickets and further information are now available on Classlist.

DON'T LET FIRE BE THE FRIGHT ON HALLOWEEN NIGHT

Costumes

Keep all costumes, whether handmade or bought, away from candles or other naked flames.

If clothing catches fire, remember to **STOP, DROP and ROLL**

- **STOP** where you are. Do not run.
- **DROP** to the ground. Lie down flat.
- **ROLL** over and over on the ground until the flames are out.

Candles

If using candles, make sure they are out when you leave the room.

Do not use real candles in lanterns and pumpkins, use battery operated lights.

Never leave children alone with candles.

Decorations

Do not make lanterns from plastic bottles / containers. This would be dangerous and could result in burns and cause fire.

Keep decorations away from all naked flames.

Have a firework night to remember...

...not one you will want to forget.

- Sparklers burn furiously and are not suitable for children under five
- Don't drink alcohol if setting off fireworks
- Always supervise children around fireworks
- Never throw fireworks or put them in your pocket
- Only buy fireworks marked BS 7114
- Keep a bucket of water handy
- Make sure everyone stands clear of fireworks
- Never return to a lit firework
- Fireworks cannot be purchased by under 18s
- Light fireworks at arm's length, using a safety firework lighter or fuse wick

Make sure all anti-social behaviour is reported by calling **999** if it is an emergency or a crime is in progress, or **101** for non emergencies.
