

It has been an extremely busy week at Bozeat Community Primary School!

On Monday the children were lucky enough to welcome into assembly three members of the Paralympic Swimming squad which included the 2 Gold medal winning swimmer Maisie Summers-Newton MBE and Scarlett and Eliza Humphreys who are two visually impaired swimmers. They gave a hugely inspirational talk and presentation about their experiences, training and values. It was a fantastic opportunity, and we are incredibly grateful for the time they took to come into school.

### **OFSTED**

As you have hopefully been aware, the school this week was subjected to a full graded inspection undertaken by OFSTED. The team looked at lessons, behaviour, met with children and rigorously inspected school procedures and documentation. Whilst I cannot share the outcome at this stage, we were immensely proud of the way the children conducted themselves over the course of the two days and the way they showed the team the excellent behaviours we see every day.

A huge thanks for all the kind messages of support that were received from parents and supporters of the school.

I look forward to sharing the outcomes when we have received the final report.

Mr Gareth Rust  
Head of School

## **Phonics Information Meeting**

Parents of children in Owls Class are invited to a Phonics Information Meeting on **Monday 25<sup>th</sup> September at 3.30pm.**

This will be held by Miss Pettit who will provide details of the phonics programme for children who have started Reception, there will also be an opportunity to ask any questions you may have. We look forward to seeing you there.

## **Paralympian visit to Bozeat!**

On Monday, we had a group of very special visitors to school: Maisie Summers-Newton, Eliza and Scarlett Humphreys and their coach Andy Sharp. They swim at Northampton Swimming Club and are active athletes in Para-Swimming.

They showed us how other athletes compete and used Wilf and Mrs Griffin to demonstrate how the goggles are made darker to have a level playing field and showed us a ball with a bell inside.

It was a fantastic assembly, all the children and staff are feeling very inspired!
