

This week in school has been a productive one with lots of excellent learning going on.

On Thursday some of our KS2 children went to a Boccia competition at Rushden Academy. Boccia is a sport similar to bowls where players try to precisely place a ball near a target. All children who attended had a fantastic time and their behaviour as usual was amazing!

We have a number of sessions of book and a biscuit coming up and we look forward to seeing parents and carers in school for these events.
