

It has been a short but exciting week in school! On Wednesday the children celebrated the Coronation of King Charles III. The children took part in a whole school picnic lunch and undertook activities relating to the coronation. In the afternoon we crowned our own May King and Queen who then took part in a procession around the playground.

This weekend is another bank holiday weekend to celebrate the coronation. School will be closed on the 8<sup>th</sup> May and will reopen on Tuesday 9<sup>th</sup> May. This week is also Year 6 SATS week- we know you will do us proud Year 6!

Head of School

## Coronation Celebrations

This week we have been marking the coronation of HRH King Charles III with our own celebrations. The whole school enjoyed a picnic lunch outside – the weather was very kind to us!

We made our own bunting , flags and even castles to decorate the School:

During the afternoon we crowned our Year 6 Coronation King and Queen and finished with a procession outside!

## Coronation Art Competition

Letters have been sent this week regarding the county coronation art competition that starts this month.

To celebrate this significant occasion, it would be wonderful to encourage children to express their reaction to the Coronation through the medium of art in its broadest sense, whether paint, photography, collage, video, sculpture or in word. The competition runs from 14<sup>th</sup> May to 15<sup>th</sup> September 2023, and is divided into four age categories: 4-6; 7-9; 10-12; and 13-16. The top ten in each group will have their work exhibited and invited to the Finalist Reception along with their family in October the winner in each category will be awarded **£100!!**

Details of how to submit entries are enclosed at the end of the newsletter - Good Luck!!!

## Walk to School Week

To celebrate National Walking Month this May, we are taking part in the Walk to School Week 15<sup>th</sup> – 19<sup>th</sup> May 2023. The fun and engaging week-long activity is designed to make pupils experience first-hand the importance of walking to school.

Through this challenge, children will be well on their way to reaching their recommended 60 minutes minimum of physical activity per day before even reaching the school gates. Teachers will be awarding children with activity tokens and there will be special recognition for those children who walk every day.

If you travel from outside of Bozeat, you'll be pleased to know that Parish Council have granted permission for parents to use parking at the sports ground – it's a 5 minute walk from here to school! Last year a record number of over 200,000 pupils across the UK took part and at Bozeat we are looking forward to being part of that growing number!

## Archery Competition

On Wednesday, Olivia, Riannah, George and Layla were lucky enough to participate in an Archery competition against other local schools.

They persevered throughout and had thoroughly enjoyable time. George brought home a silver medal which was excellent! Well done to the team!
