

The children have continued their event filled start to the new academic year. We are really proud of the many opportunities for personal development that we offer.

This week some of our Year 5 children undertook their level 2 cycling proficiency – teaching them all about road safety and how to correctly navigate the roads on their bikes.

Our Year 3 children attended St Marys Church as part of their RE lessons to find out about the different parts of a Church.

On Wednesday our Sports Crew were out at a sports conference and on Thursday our Girls Football Team were playing at Redwell.

A huge thankyou to adults and parents who have helped transport- we couldn't do this without you!

Mr Gareth Rust  
Head of School

## Road Safety

Please can we remind all parents/carers to ensure children use the pedestrian crossing rather than trying to cross in the middle of the road to avoid any accidents.

Thank you

## Harvest Festival

Please be reminded that all donations for Harvest need to be brought into School by Monday 9th October. Items can be dried or tinned foods.

This is an excellent opportunity to think of others who are less fortunate than our-selves and to help local causes.

## Sports Leader Conference

The Sports Crew Leaders in Year 6 had an amazing day with Northants Sports learning how to be leaders this week.

They were trained in First Aid, they learned how to change the difficulty of challenge set and also thought about some areas of improvement for the delivery of '60 active minutes' at Bozeat.

We are so proud of all of them for their determination and dedication to keeping children active!

**Ophelia** did amazingly well at her first gymnastics competition on Sunday! She was competing in the 10-13 age group and came 2nd overall! She also won Bronze on bar, Silver on vault and Gold on beam as well as fourth on floor! What an amazing achievement!
