

The build up to Christmas continues in school with many events taking place and exciting things happening.

On Tuesday, our Jaguars class showcased their learning during their class assembly. It was fantastic to see the children talk so confidently and with so much enjoyment about many different aspects of their learning. Thank you to all adults who attended.

On Tuesday and Thursday, the school attended St Marys Church for the annual 'Experience Christmas'. This was kindly organised by Linda Brett and the team at St Marys. The children learn the Christmas Story and undertook craft activities related to Christmas- they all had a fantastic time- Many thanks to all involved.

On Wednesday I was lucky enough to attend West Lodge Farm with the Pre-School and Reception Class for a visit to see Santa, act out the Nativity and to see the farm animals. The children had a wonderful time, and it was magical to see their enjoyment and excitement.

This trip was only possible thanks to FoBS who kindly agreed to help fund and reduce the total cost for the children to attend. We feel outside trips are so important for giving our pupils life experiences and enrichment opportunities beyond the school and we are very grateful to FoBS for their support with making this happen for all year groups.
