9th February 2024

It has been Children's Mental Health Week in school as well as Internet Safety Day on Tuesday. The children have been focusing on mental health in their PHSE lessons as well as learning about keeping safe online.

It was fantastic to see so many parents at Book and a Biscuit in Panthers and Rabbits class this week- we look forward to welcoming more parents and carers next week for book and a biscuit in Jaguars class.

Next week is also our final week of this half term and there is a Valentines Disco on Tuesday after school arranged by FoBS. Thank you to everyone involved in making this happen

'Meet the SEND Team'

Events for Parents and Carers

Introduction

We are the Special Educational Needs and Disabilities (SEND) Team, and we offer support to schools and parents & carers so that they can help young people when they are experiencing difficulties in school and home life.

Following the success of our recent drop-in parent events, we are holding further meetings in March. Please note that this term meetings are at 4:30pm – 5:30pm.

The local team look forward to meeting with parents and carers, finding out how we can provide guidance and help in supporting you and your child within your local area and just enjoying a coffee together. Please feel free to come to whichever session is best for you. Parking is available nearby to these venues.

Feedback from our last events show how much benefit families gained from these meetings.

'Talking about many different things, being pointed in the right direction'

'Meeting other parents, getting ideas from each other'

'Having the opportunity to share our worries and concerns and to be listened to - realising that we are not alone'
