

The first week of this seven week final half term has already been and gone and we look forward to what looks like a number of action packed but enjoyable weeks with many different events taking place across the school.

On Monday KS1 enjoyed a puppet show as part of their Seaside topic. The children experienced a traditional Punch and Judy show and reflected on the historical aspect of the seaside.

The children across the school have also had the opportunity to work with a visiting cricket coach who will be working across the school on a Wednesday for this half term.

The weather is continuing to improve - as it warms up, please ensure that the children are dressed appropriately for the weather. Sunhats are always a good idea as well as suncream and plenty of water to drink.

Head of School

## Oh we do like to be beside the seaside!

Key Stage 1 had a fantastic wow day on Monday as we welcomed Punch and Judy into school for the morning.

The children completed a workshop whereby they made their own Punch and Judy show with characters. After break they then experienced the Punch and Judy seaside show.

The children were fascinated and very much enjoyed the experience of a true Victorian event.

## Sports Day

Letters have gone home this week regarding our Sports Day for children in Reception - Year 6. This will be taking place on the back up date of **Thursday 22<sup>nd</sup> June 2023** and will start at **10.00am**, all parents are welcome to attend. It is due to finish at **3.00pm**, children will return to school and will be ready to collect at the end of the day.

Please can you ensure your child has a packed lunch for this day, Children will need to come to school in PE Kit, with a water bottle and a sun hat and ensure they have plenty of sun cream applied.

## Cricket at Bozeat

This week children have started cricket lessons where they are learning some essential cricket skills in association with Steelbacks in the Community.

They are already beginning to bowl and bat and next week will begin to incorporate these skills into games.

Yesterday our amazing Year 5 girls participated in a cricket competition against local schools. They played 5 games, lost 2 and won 3. In the end they finished 8<sup>th</sup> out of 13 schools. They were wonderful role models for Bozeat and had a great day in the sun.
