Introduction

Bozeat Primary School is mostly funded from public funding via the Education and Skills Funding Agency (ESFA) and Local Authority. The school can accommodate a limited amount of extended and community services, and in accordance with the Education Act 2002, s27 (3) the local governing body may charge for the use of its premises to provide these services.

The primary purpose of the school site and buildings is for the education of pupils attending Bozeat Primary School. Public lettings during the school day are not considered appropriate given the limited space in the school, as groups of visitors onto the site are potentially disruptive to the educational environment and may cause potential safeguarding dangers.

It is recognised that the school operates within the wider community. Its facilities should therefore be made available to local groups when this does not conflict with either the interests of its pupils, the work of its staff or the peace of our neighbours.

Policy

It is the governors' policy that whenever it is reasonable and practical, use of the school's physical resources outside the school day is permitted by members of the local community.

Lettings to local groups will be dependent upon payment of a fee and acceptance of the terms and conditions set out in this policy. The fees for a letting will be set at a level to ensure that income taken covers the costs (lighting, heating, staffing, etc) of the activity. Any profit generated by such lettings shall be used solely used to benefit the education of pupils who attend the school.

The Friends of Bozeat Primary School will be exempted from any charge in respect of fund raising activities or social events benefiting pupils and/or their families. Similarly, events organised for the benefit of the village as a whole are exempt – for example Bozeat Village Fayre.

All lettings are subject to authorisation by the Head of School on behalf of the Governing Body. Charges will apply to all companies offering chargeable clubs to Bozeat pupils both before and after school.

Notice of lettings will be made available to the Resources Committee of the Governing Body.
