Nene Valley Partnership
Excellence in Education

28th May 2020

Dear Parents and Carers,

Risk assessment

Please be aware that the risk assessment for school reopening on June 1st is now available on the school website, in the COVID-19 tab. This document have been reviewed and advocated by both the Nene Valley Partnership Trustees and the Bozeat Community Primary School and Nursery Governors.
I would like to take this opportunity to thank them all for their support during this time.

Reports

Your child's report will be sent to you tomorrow morning. If you have any comments, please email the class email address and the teachers will get back to you in due course.

Uniform

After further consideration I have decided that children WILL NOT NEED TO WEAR SCHOOL UNIFORM when they return to school on Monday 1st June. This is to help parents ensure that clean clothes are worn every day. I understand that this will be harder to manage if children are wearing school uniform. Please remember that trainers are preferred to shoes as they will be completing more outdoor activities than usual.

Finally

I am really looking forward to seeing more pupils on Monday and so are the staff.
Things will be different. Some changes will make life easier, other changes will make things harder. At the centre of all decisions is the health and safety of pupils and staff. We will give you as much notice as possible to help you and your children prepare.
Thank you for your flexibility and understanding. We will still need it as we all try to get things right.

Yours sincerely,

G Morton
Headteacher
